

KFLP MARION COUNTY

2nd Poker card

After Breakfast we fly a short 4 s.m. to Marion County Airport (<http://www.airnav.com/airport/KFLP>).

RW 4-22 is 5001' X 75' Asphalt. **TPA** 1700'msl. Left Traffic.
Unicom Freq. 123.0 WX AWOS-3 132.075

Plan on **departing Valley RW10** with a **right turn out**....this will set you up on a left base for RW 22 at FLP or you may extend to enter a left downwind for RW 04. **Grass is available for landing on the south side of RW 4-22.** (Right side of RW04, first half). Use **123.0 for CTAF. AWOS-3 132.075**
Fuel is available

Caution:

No line of sight between runway ends. Extensive Ultralight activity.

Noise abatement in effect:

Avoid overflight of school and city south of RW 4-22

MO00 TURKEY MOUNTAIN AIRPARK

3rd Poker Card

Depart FLP for Turkey Mountain: **Lunch (1130-1400), WWP 50-50 Pot, possible Flour Bombing, Fly-bys and Short Field Contests**
(Make sure you Okies bring your passport...we are crossing State lines! :-)

RW 18-36 is 3950' X 80' Grass. TPA 2000' msl. Left Traffic.
Unicom Freq. 122.9 WX AWOS-3 (BBG 26sm. E) 124.625

Turkey Mountain Estates Airport (<http://www.airnav.com/airport/MO00>)
(<http://www.turkeymountainairport.com/>) is **63 sm. NW of KFLP.**

Land South if weather permits. There is parking at the south end of field with additional parking at the north end. **Listen up on 122.9 for marshalling/parking directions.**

Caution:

Trees, fences, hangars, buildings, brush, windsock, and power lines located in close proximity to runway surface!!
